- AUGUST 2022 -

“ We had to postpone our wedding due to the Covid-19 pandemic, and the hotel were extremely accommodating and helpful. We were looked after by the entire Donnington Manor Hotel Team, who did an amazing job of giving us our perfect wedding day. All our guests commented on the quality of the food. The hotel has very pretty grounds, which are excellent for photographs. We had an amazing wedding which we will remember with fond memories for the rest of our lives. ”
